📅 2001-07-30 📞 01853265996

I am dedicated to exploring opportunities and acquiring knowledge to strengthen my professional expertise. With a curious and proactive mindset, I remain committed to continuous growth in both personal and professional spheres. I value collaborative environments where I can contribute effectively, develop new competencies, and create a meaningful impact.

🎓 Education

B.Sc. In Electrical and Electronic Engineering(EEE),
Ahsanullah University of Science and Technology, Dhaka, Bangladesh
2025 | Dhaka, Bangladesh
CGPA >3

Higher Secondary Certificate (HSC),
Government Science college, Dhaka, Bangladesh
2020 | Dhaka, Bangladesh
GPA 5.00

Secondary School Certificate (SSC),
Government Laboratory High School, Dhaka, Bangladesh
2007 – 2017 | Dhaka, Bangladesh
GPA 5.00

🧠 Skills

Word, Excel and Powerpoint
C++, Python, MatLab, Verilog
PSpice Simulator, Code Blocks
Proteus, Quartus, Arduino UNO
AutoCAD, FreeCAD, CST studio
Cadence virtuoso

✍ Key Courses

Electronics 1 and 2, Power System 1 and 2, Digital Electronics, Microcontroller, Digital Signal Processing, VLSI 1, Fabrication and Processing, Computer Architecture, OptoElectronics, Biomedical Engineering

🔗 Competencies

Communication and teamwork skills
Problem Solving and Decision making
Adaptability
Knowledge Sharing
Time management
Multitasking

🔧 Research Interested Field

CMOS, MOSFET
Bio-Medical, SPR
Antenna, Microwave
Machine Learning
